### Donations for the West Botanical Garden

This botanical garden was established in 2000 from citizen donations. It has been a place to learn, and a place to relax. Your kind donation is needed in order to maintain this beautiful garden, and to create more educational opportunities for children and adults.

#### Sponsoring a tree

A tree is a unique gift to celebrate an important day such as your wedding anniversary or a birthday, or to remember your family members and friends. With your donation, we will plant a tree and provide permanent care for it. You can choose tree sizes, but not the kinds of trees.

Donation	Tree size
\$ 500	1.5 meters tall
\$ 1,000	3 meters tall

\*A tree identification tag with donor information will be attached to the donated tree for an additional cost of \$ 10 per tree.

#### Donating a bench

You can also make a donation of a bench to the Garden.

Donation	Bench style
\$ 1,600	wooden bench
\$ 1,750	iron bench

\*A bronze metal plate with names, dates, and/or a message can be put onto a bench for an extra cost of \$ 150 (up to two lines of text, maximum 50 letters).

#### Additional ways to support us

- Volunteer to be a tour guide or a leader for school groups
- Volunteer to help maintain the Garden (painting, repairing benches, clearing fallen leaves)
  - Work days and hours are flexible.
  - Training and materials will be provided by the Garden.

For further information, contact us at: [wbgarden@org.us](mailto:wbgarden@org.us)
